Title: Need to recruit people of Kulhan village, Dona and Dudu Basentgarh, Udhampur in Police force -laid.

CHAUDHARY LAL SINGH (UDHAMPUR): In my constituency at Kulhan village Doda and Dudu Basantgarh, Udhampur more than fifty persons were brutally massacred. The officials of Government of India and state Government of J&K visited on the spots and promised that the Government would conduct recruitment of police persons from both areas and also construct roads in these remote areas. Though more than 10 months have passed pass nothing has been done. I request the Government to fulfill the promise.
